19th Annual

# LIBERATION BASED HEALING CONFERENCE

**CRITICAL CONSCIOUSNESS. EMPOWERMENT. ACCOUNTABILITY.**

**Featuring - Dr. Kenjus Watson & More!**

Specializing in race and ethnic studies, Dr. Watson transforms our understanding of educational and societal systems with a focus on liberation and racial justice. Hear his powerful insights on creating a just and humane future.

Georgetown University, Washington, D.C.

**NOV.  
1 & 2**

Join us for a transformative two-day event engaging with scholars, activists, and educators in discussions and workshops that challenge traditional perspectives of healing through an intersectional lens. Together, we'll explore and dismantle colonial influences on our systems and practices.
